

82 Prof. Jianping Zheng

Name: Jianping Zheng

Organization: Director of Petrology section in Faculty of Earth Sciences,
China University of Geoscience

E-mail: jpzhen@cug.edu.cn

Education

B.A. Petromineralogy, China University of Geosciences, Wuhan, China, 1985

M.A. Petromineralogy, China University of Geosciences, Wuhan, China, 1988

Ph.D. Petromineralogy, China University of Geosciences, Wuhan, China, 1997

Work Experience

Lecturer, China University of Geosciences, Wuhan, China, 1988-1996

Associate Professor, China University of Geosciences, Wuhan, China, 1996-2000

Professor, China University of Geosciences, Wuhan, China, 2000-present

Research Interests

Lithospheric mantle, mantle fluid and crust-mantle processes through time

Continental lower crust formation and modification and its link with mantle process

Magmatism, basin basement and basin dynamics

Committee Responsibilities and Professional Activities

Secretary of Mantle Mineralogy, Petrology and Geochemistry Committee of Chinese, Honorary

Associate of Earth and Planetary Sciences in Macquarie University, and National Key Centre for

Geochemical Evolution and Metallogeny of Continents (GEMOC)

Major Publications

Zheng, J. P., Griffin, W. L., O'Reilly, S. Y., Lu, F. X., et al., 2004. 3.6 Ga lower crust in central China: New evidence on the assembly of the North China Craton. *Geology*, 32, 229-232
