

# 71 Prof. Songhu Yuan

Name: Songhu Yuan

Organization: China University of Geosciences, Wuhan, China

E-mail: yuansonghu622@163.com

## Education

B.A. Applied Chemistry, Huazhong University of Science and Technology, Wuhan, China, 2001

M.A. Environmental Engineering, Huazhong University of Science and Technology, Wuhan, China, 2004

Ph.D. Environmental Engineering, Huazhong University of Science and Technology, Wuhan, China, 2007

## Work Experience

Lecturer, University of Science and Technology of China, 2001-2003

Associate Professor, University of Science and Technology of China, 2004-2007

Professor, University of Science and Technology of China, 2008-present

## Research Interests

water pollution control and sediment pollution repair technology
